Venture & Venture South		1	
18600 Venture	1		
Venture & Whispering Hollow			
Not Listed			

Five golf carts had stereos stolen on 7-03-09 between 10:30 and 11:30 pm. None of the owners filed reports with Travis County Sheriff's Office. A GPS was stolen from a vehicle at the same time and a report was filed. These burglaries occurred in the Pier parking lot.

On the boat ordinance if the words "a registration sticker expired for greater than 6 months" are placed where it just says an expired sticker, then I am ok with it. That should take care of our weekend/summer owners and those who do not mess with that stuff until spring.

On the golf cart ordinance, with the passage of the bill at the Legislature we do not need an ordinance. And the one we have we could not pass due to the requirements in the bill.
